

# Opportunities for Service

**Volunteer** – someone who offers to do something that he/she did not have to do, often without having been asked to do it.

## Year Round

### **Bulletin Board Volunteers**

These volunteers work under the supervision of the teachers decorating the bulletin boards that line the hallways of the school.

### **Homeroom Parents**

These volunteers help their children's teachers with planning and assisting activities such as parties and field trips. Other activities may come up throughout the year at the discretion of the teacher. The time commitment ranges from 2-3 hours per month on average.

### **Lunches**

These volunteers help serve in the lunchroom and then help clean the cafeteria afterwards. There are also special days such as Grandparents Lunch and Field Day Lunch which needs extra volunteers for serving meals.

### **School Dances**

The PTO sponsors three dances. Parents are needed to chaperone at the dances. It would be great if each parent had a chance to chaperone at least one dance while their child is in school.

### **Maintenance Saturdays**

These volunteers would do light maintenance around the school such as painting, yard work, small plumbing jobs, etc. They would be asked about four Saturdays a year.

### **Year Book**

These volunteers would take pictures at events throughout the year. They would help sort pictures, make up captions and generally design the yearbook. They would also take orders and collect for the yearbook.

## Once a Year

### **10 K Give-A-Way**

Many volunteers are needed for this event each year in October. This takes organizational skills and a lot of legwork to collect items for the Silent Auction, setting up the day of the event, and cleaning up afterwards.

### **Scholastic Book Fair**

These volunteers are needed to open and set up the book cases, display items on tables, assist the children with their shopping, help with totaling and payment of purchases, take inventory after the sale, and box up items for return shipping.

### **Evening of the Arts & Spaghetti Dinner**

Each April or May, the school hosts a Spaghetti Dinner for students and their families. During the evening, the students have an opportunity to showcase their talents. Volunteers may help with advertising, collecting monies, purchasing foods, preparing the meals, set-up, serving and clean-up.

*to lead a life worthy of the Lord, fully pleasing to him, bearing fruit in every good work and increasing in the knowledge of God. (Col 1:10)*
