

January 14, 2015

Dear Parents,

This week we will learn the letter Tt. Our sight words are it and jump. It is important to review all of the sight words each week. Please remember to use the flash cards. In math, we will complete our unit on Patterns. We will have a chapter test on Friday.

There are some fun youtube videos that you can use at home to help your child if they are struggling with letter and number recognition. The boys and girls love "What Do The Letters Say" and "Number Rock".

We will begin "Star of the Week" soon. Boys and girls will get to take Murphy (our class mascot) home for the weekend. A poster filled with photos will go on our "Star of the Week" board in the hallway.

If you have anything that you would like to contribute to our class "Treasure Box", I would appreciate it. I use this box to reinforce good behavior. If the students get 4 quiet critters, they can choose something from the box at the end of the day. The Dollar Tree has some great items. A few ideas are small cars, bracelets, rings, plastic lizards and bugs, sunglasses, etc. Happy meal toys or small toys that your child no longer wants would be great, too!

Enjoy your week!

Thanks,

Mrs. Hogan
